DREAMS

HARRY R. McMILLAN, *Principal*

DEAR SENIORS:

PROGRESS in the direction of ONE EARTH "under God, indivisible, with liberty and justice for all" will be in direct proportion to the clearness of man's thinking in the solution of his problems.

The lag between social age and scientific age must be blocked. Scientific principles pertaining to the behavior of people and nations must be applied in the solution of problems confronting nations. Freedom based upon self-discipline must replace yokes. Power must rest with the governed and responsibility with those who govern. The value and dignity of the individual must replace his being subservient to the State. Attention must be focused upon the making of good individuals, good families, good nations.

There is great need of ideas reliable enough to solve future problems; valid enough to justify the price that may be required in terms of suffering and blood; and appealing enough to compete with hate campaigns, slave economics, and political tyranny of Godless nations.

The bringing forth of these ideas is your challenge, your opportunity, your responsibility.

Sincerely yours,

HARRY R. MCMILLAN, *Principal*

Dear Seniors:

I am proud to live in a country whose citizens believe in and promote free tax-supported schools. The work of such schools is designed to teach students to think and to act as individuals rather than in mass under the rule of a dictator. Our students learn the needs of a free society and are encouraged to select wisely those fields of service in which their best contributions can be made. Each graduate through the help of the home, the church, and the school has been led to develop himself physically, mentally, morally, and spiritually. Our best wishes go to each member of this class as he adapts himself to his life work. We hope we shall see everyone helping to preserve and to improve the great heritage of our free society at home and throughout the world.

Sincerely yours,

George R. Powell, *Vice-Principal*

Seniors Achieve

Just as the foundation of our new addition was laid, so has the character foundation of our Senior Class of 1955 been laid, enabling us to advance toward achievement. The beginning of our high school days was an interesting adventure which brought new responsibilities. The path often led to discouragement, but always there was a light to beckon us on. Our teachers and parents guided us toward higher ideals and more wholesome living. Just as the Tower of Southeast reaches into space, so do the aspirations and ambitions of the Senior Class reach into the vastness of the future ahead.

Senior Business Committee

The senior business committee composed of twenty seniors elected by the senior class has the responsibility of planning the activities for the seniors. The various committeemen, under the direction of Mr. George R. Powell, the class sponsor, choose the commencement announcements, plan the commencement program, select the class gift to the school, and consider the choice of caps and gowns for graduation.

PRUETTING, JOHN—Corporal, R.O.T.C. John plans to work after graduation. His ambition is to become a mechanic.

Senior Prophecy

We, the Senior Class of 1955, striving to look into the future and ever searching for the light of success, do prophesy the following to be true when we meet at the class reunion in 1965.

Tom Creel is sports announcer for the Kansas City Athletics. He is doing very well. He also has charge of the radio broadcast at the Pickwick Hotel from 10:00 p.m. to 1:00 a.m. The teenagers really seem to enjoy the "Creel Appeal."

Barbara Hey is driving in the stock car races. She has a souped-up Plymouth that can really go. She keeps a case for her many trophies.

Ronnie Kelley, Curry Miles, and Janet Smith started a new club. It's the A.S.P.G.L.R.H.A. (The American Society for the Preservation of Good-Looking Red Heads in America.)

Margaret Jones is coaching football at Southeast while Don Carney is instructor for the girls' gym classes. Everyone seems to appreciate the new arrangement.

Ronnie Ping is going abroad soon. He's been offered a new job in the Orient. The salary is tremendous and at last he's getting his life's desire . . . A whole harem of wives.

Who's the owner of the old hangout, Allen's Drive-In? It's Betty Hailey. She decided to buy it so she could better entertain her friends. Business is booming and her sign reads, "Hailey's Hamburgers Are Heavenly."

The women of the nation have finally revolted, and Don Kopp has been taken into custody by the law. He was found guilty of heartbreaking in the first degree. His line of sweet talk finally caught up with him.

Deanna Smithmier has a job at Starlight Theater. She wanted a dancing career but instead she's selling peanuts at the concession stand.

Phil Dowdle is Mr. America of 1965. The girls gaze hopefully at "Muscles," but he ignores the feminine public.

Jennie Cook has started a social agency for the extinction of rowdyism in the high schools. She's a staunch believer in quiet study hours.

Bob Reeder has again been voted "The Boy We'd Most Like to Date" by the high school juniors all over America.

Edell Schaefer makes her debut next month in the Broadway production of "Tarzan and the Ape Girl." She misses her partner, Florence Newsom, but Florence brings her husband and seven children to every one of Edell's plays. Florence prefers family life to a stage career.

Doug Ayer is working as delivery boy in the corner Laundermat. He works hard and may soon get a promotion.

Peggy Dorsey is teaching English at Southeast now. She is also the glorified house-wife of the golf pro at Swope Park.

Bruce Potter is a taxicab driver. He applied for the job immediately after graduation. A few passengers became alarmed at his driving, but after some of his jokes they were completely at ease. In 1963, he was voted America's Sweetheart of the Women Cab Riders of America.

Betty Kelly works in a factory that produces noise-makers. She was selected for the job because of her noisy ways.

Pat Hunter is a career woman; she owns a manufacturing company. It's called Hunter Wastebaskets, Inc. Their motto is "Hunter's baskets just naturally hold more."

Glen Hunt is a social worker. His main objective in life is "to help the little man."

Geralann Kratz is a policewoman and is tops on the force. Captain Kratz is doing a marvelous job of combating juvenile delinquency.

Lynn Alexander, after working seventeen years as an apprentice, has finally become a first class plumber.

Sandy Hull, Sandy Reynolds, and Bettie Holt are typical housewives and have large families. They each have children attending Southeast and are trying to convince their teen-age daughters that regular attendance is of the foremost importance.

Karl Keen is here from New York where he is a prominent socialite. He flew back to Kansas City in his own plane. He bears the title of New York's most eligible bachelor.

Carole Means is the woman R.O.T.C. instructor at Southeast. She's doing a wonderful job in her new position.

Buddy Crosby is playing professional football for the Los Angeles Rams. They say when Crosby gets the ball, he's over the goal line before the opponents can find him.

Betty Nelson and Dorothy Groomer are modeling for Saks Fifth Avenue. They're tops in the business but still remember their friends at Southeast.

Richard Tubesing is a ditch-digger and boasts of the fact that he has dug ditches in every state of the union.

Yvonne Strode is modeling for the "Krispy Pretzel Company." She holds the title of the most wound-up pretzel in the business.

Larry Smith and David Mills own a ranch in Texas. Their sideline is manufacturing two-gallon hats.

Gail Cline is working in Hollywood now. She's a terrific star and is recognized as the nation's Number One Flirt.

Bob Jamieson makes a more than adequate living as a photographer's model for a toothpaste ad. That big smile sells more toothpaste than any other trick in the business.

Phyllis Gable is living in Alaska. Recently, she was voted queen of her igloo village. "Queenie" even looks good yelling "mush" to her trusty-dogs.

Charles Hynden is a multi-millionaire bank president. He contributes his success to the knowledge of figures he learned at Southeast.

Dan Stanley is manufacturing tanks for Uncle Sam.

Bob Butler has become an understudy to Jimmy Durante. He was discovered by a talent scout who immediately recognized the remarkable resemblance between the two.

Barbara Brackney is head signboard painter for Acme Company. She received an honorary degree from Vassar and is the first woman to hold a doctorate in signboard painting.

Don Hymer and Bob Davis are teaching dancing to shy basketball players all over the country. They are with Arthur Murray and have just finished teaching the "Mambo" to the present Southeast basketball team.

Charles Clayton has become a staunch leader of the Democratic Party and is a possible presidential candidate in the next election.

Gary Sparks, alias Lover-boy, has a big name band and plays throughout the country with the "Sparkles."

And now the Seniors would like to prophesy something for ye olde Alma Mater. In 1965, we shall see the Southeast Institution expanded to include a two-year junior college course plus four to six years professional training. Southeast has progressed by leaps and bounds since we were graduated.

Juniors Strive

As Southeast has progressed, so has the Junior Class. Now, because of our constant growth, we are at the threshold of our greatest ambition, Knighthood. We are ready to accept the responsibilities, privileges, and challenges that are ours. We, the Junior Class, cherish and honor the traditions of our Castle. May we take and use them to their fullest advantage!

Sophomores Build

Having become accustomed to life at Southeast, Sophomores are eager to take the next step toward Knighthood. We have gained confidence through participation in various school activities and sports. The friends we have made during our previous years at Southeast have enriched our lives and our education. These friendships will remain in the years to come. Each year in school adds another stone to our foundation for Knighthood.

Freshmen Seek

We, Freshmen, are now an important part of Castle life. We cheerfully accept our responsibilities which will require diligent work and will add much to the achievement of our cherished goal, Knighthood. We are eager to learn and we shall enter extra-curricular activities that make up a well-rounded individual. With the help and guidance of those ahead of us, we shall seek to do our best.

Eighth Graders Venture

We are about to venture along the path of one of the greatest experiences we shall ever know. As Eighth Graders, we are beginning a firm foundation which will prepare us for the years to come. No longer are we outsiders but a part of the ideals and traditions of Southeast. A challenge lies before each of us—let's accept it.

Government by the Students

President of Round Table

Round Table, our student government, is composed of two representatives from each homeroom and one representative from each club.

To stimulate interest and active student participation in the practice of ideals of democracy is its main goal.

Under the sponsorship of Mr. Langford, the Round Table endorses many worth-while school activities.

Preparation for Initiation

Formal Initiation

Beta Honors Academic Diligence

Scholarship, high ideals, and character are among the main themes of the National Beta Club.

Juniors and seniors who have a 3.0 grade index or above are eligible for Beta membership. Its many activities include an annual formal dance, a family picnic, and attendance at the state convention.

The Beta emblem is proudly worn by thirty-nine students of Southeast. Beta is a symbol of academic achievement and a fine example for all to follow. It is best described by its motto: "Let us lead by serving others." Mr. Smith is sponsor of the Betas.

Pep Club Builds School Spirit

The Pep Club was re-organized for the express purpose of promoting and maintaining a high calibre of school spirit. The Pep Club, sponsored by Mrs. Hensley, believes that school spirit should not be confined to athletic events only but should be prevalent in every phase of castle life. Any student interested in keeping Southeast at the top is eligible for membership.

Penthouse Players Provide Entertainment

The Southeast dramatic club, The Penthouse Players, is sponsored by Miss Fetters.

The club consists of students who have an "S" average in speech and enough points to qualify. Each applicant must be voted into the club by the members.

The activities include several short plays a year, a formal initiation, and various other types of speech presentations.

Dorians Appreciate Art

The Southeast Art Club, Dorians, sponsored by Miss Abbott, is for the students who show exceptional artistic talent and who wish to learn more about art.

Members of Dorians have the advantage of receiving a type of individual attention that they can not receive in class.

To qualify, a student must have an S-average in art and an M-average in other subjects. Each candidate for membership must enter a picture without his name. All pictures are judged by the Art Club. The students whose pictures are accepted are eligible to become pledges.

Breaking the Pinata

Centinelas Participate in Spanish Customs

To gain a greater understanding both of the language and the customs of our Spanish-speaking neighbors is the purpose of Centinelas, the Spanish Club.

The activities of Centinelas include breaking the pinata at Christmas, a Spanish dinner, and a Pan-American dinner. All activities are participated in by the entire Spanish department.

Travel experiences of Miss Towner, the sponsor, add to the knowledge and pleasure received through active membership in Centinelas.

Dracones Study Roman Traditions

Dracones are interested in the study and knowledge of the ancient Roman civilization and its contributions to our world today.

The adventures of Julius Caesar and other great Roman figures, both fictional and historical, are unfolded at the meetings, along with various other activities. Any Latin student may become a member of Dracones which is sponsored by Miss Adams.

Red Cross Project

Junior Red Cross Serves Others

In almost every corner of the earth, the Red Cross is recognized as a symbol of friendship and help. The Junior Red Cross at Southeast, composed of a representative from each homeroom, makes it possible for every student to contribute to the continuation of the Red Cross and its valuable work.

First Row: Mike Patterson, Pat Conner, Peggy Carpenter, Carolyn Winter, Judy Middleton, Connie Carroll, Janet Downey, Linda Nelson, Bill Harling, Janice Wise.

Y-Teens Render

Junior and senior Y-Teens join other members of the Y.W.C.A. to build a fellowship of women and girls devoted to the task of realizing high ideals of personal and social living. This purpose sets the following goals for Y-Teen members: to grow as individuals; to grow in friendship with people of all races, religions, and nationalities; and to grow in the knowledge and love of God.

Taking Under-Class Pictures

In the Dark Room

Crusader Staff Practices Teamwork

Thirteen seniors, under the direction of Mr. Tira, comprise the Crusader staff. On these thirteen students rest the responsibilities of meeting deadlines, designing the annual and its cover, managing the business of publishing the book, sorting and organizing names to match faces, and presenting a faithful reproduction of important highlights of the school year.

Mr. Carter, with his photographers, is responsible for all the photographic work and development of the pictures. Miss Shouse, as literary adviser, has the job of making the book rhetorically and grammatically correct. Miss Denny lends her talents as art adviser to make the annual original.

Crusader Day, the day the annuals are distributed, is one that is looked forward to with anticipation, not only to see everyone's picture, but to obtain the signatures of friends and of those we admire as a lasting memento of our days at Southeast.

een own

Teen-Town, the Southeast Knight Club, is one of Southeast's most successful organizations because of the variety of activities it offers each week. There are dancing, ping pong, and bowling for anyone who wishes to participate. A snack-bar provides refreshments.

Under the leadership of Mr. Cross, Mr. Tira, Miss Mosman, Mrs. Hunter, and Mrs. Graham, the Teen-Town officers and committees worked to make this one of the most successful Teen-Town seasons.

Dress-up Night

"Wheels" the Hub of Knightlites

Wheels, wheels, and more wheels made the seventeenth production of Knightlites a sparkling success.

Knightlites, under the direction of Miss Abbott and Miss Canham, was an example of students and faculty working together, combining their talents to produce this annual variety show.

The Wheel of Fortune, featuring Esten Harned and several students representing various careers looking toward the future, started Knightlites rolling on its way.

An old mill wheel and a big harvest moon set the stage and mood for groups of senior couples as they sang "Down by the Old Millstream" and "Harvest Moon."

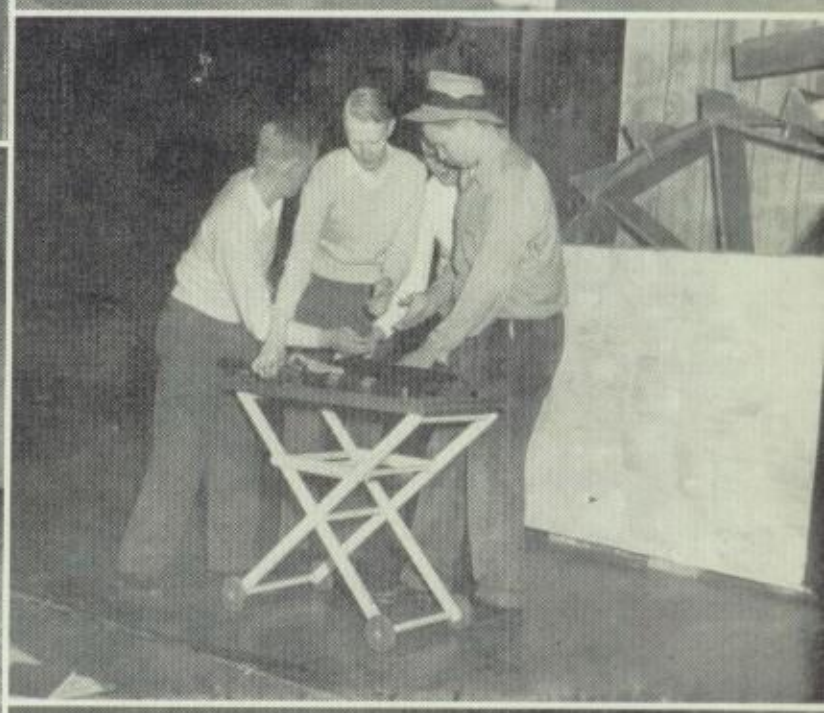
Jo Fenton and Sandy McKenzie presented their point of view in "Be Kind to Your Parents" as they sang and did a rhythmic tap dance.

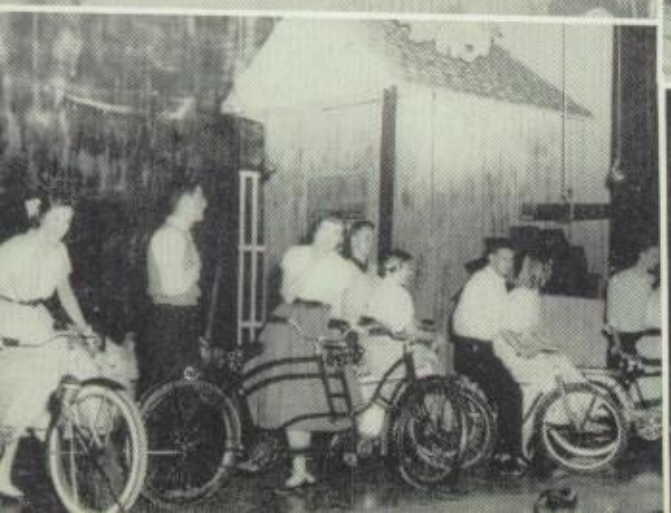
The dizzy excitement of a carnival was present as a group of girls, dressed as children, invited everyone to come to the circus. Pat Adamson and Eleanor Payne demonstrated some intricate baton maneuvers, and Connie Carroll sang as she sold tickets for the Big Wheel.

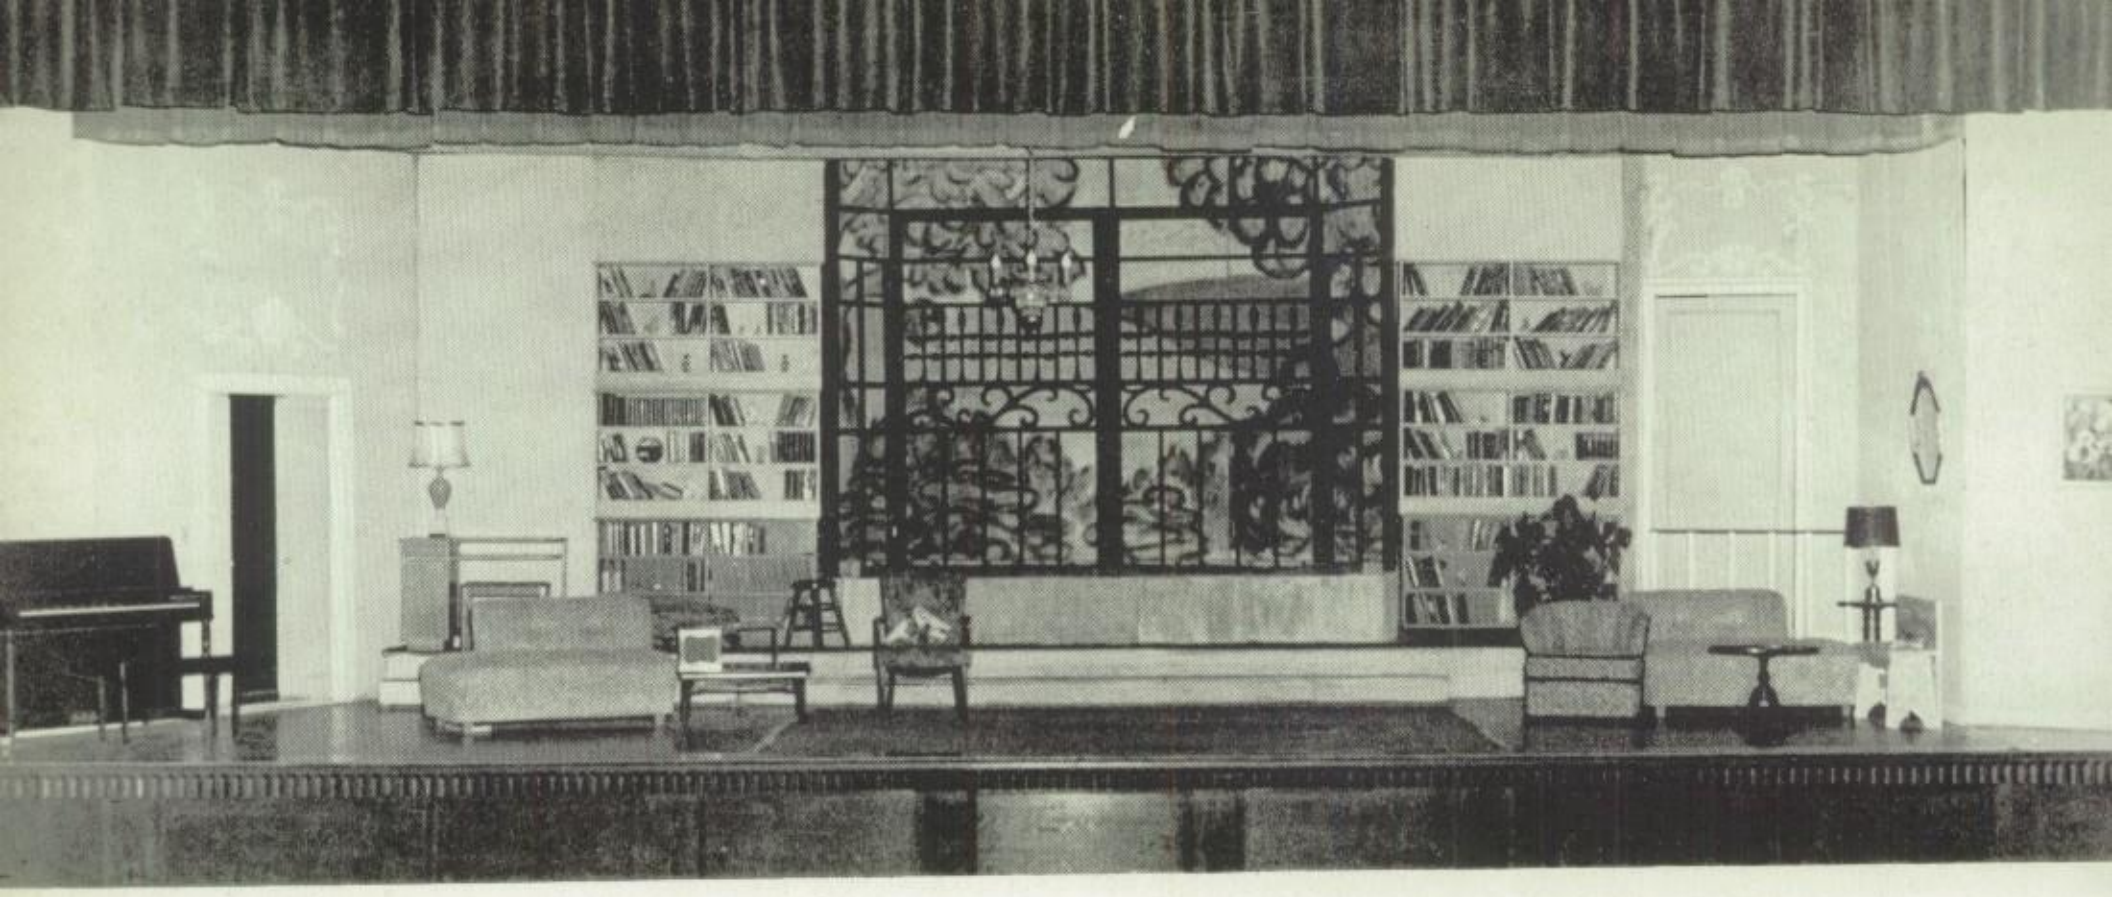
The mood of the farm was set as a group of girls dressed in bright costumes complained of "A Farmer's Life." Martha Blom and a tap line expressed their feelings about "Green-up Time."

Selling umbrellas suddenly became profitable for Don Dally when an unexpected shower caught four couples off-guard, and the girls discovered just how handy "A Fella With an Umbrella" can be. Yvonne Strode, accompanied by Charles Burnett playing the accordian, once more proved her acrobatic skill. Some of the senior couples reverted to their childhood days with their bicycles built for two as they sang "Daisy Bell."

The entire cast, singing "The Battle Hymn of The Republic," closed the 1954 production of Knightlites.







The "Curious Savage" Belies Her Name

CAST OF CHARACTERS

FRIDAY		SATURDAY
Cara Rodenbach	*Florence*	Marnell Higley

Allen Wright	*Samuel Savage*	Harry Snyder
Harry Snyder	*Dr. Emmett*	Clifford Hoehns
Kathy Kilz	*Mrs. Savage*	Sally Pruitt

The Spring Play, under the able direction of Miss Fetters, was as interesting to the audience as its name, THE CURIOUS SAVAGE.

The story revolved around Mrs. Savage who had just inherited ten million dollars from her husband. She decided to spend the money for anything her heart desired, regardless of price or usefulness. Her three stepchildren, Titus, a crooked politician; Samuel, a judge; and Lily Belle, a wealthy divorcee of six times, had their own ideas of the way in which the money could be spent.

They concluded that in order to keep Mrs. Savage from squandering the money, she should be committed to a private mental institution, the Cloisters. Knowing the position she was in, she decided to make the most of it; and she tried to make her children appear foolish by sending them on wild chases after the money she had hidden. In the meanwhile she had made many friends at the Cloisters.

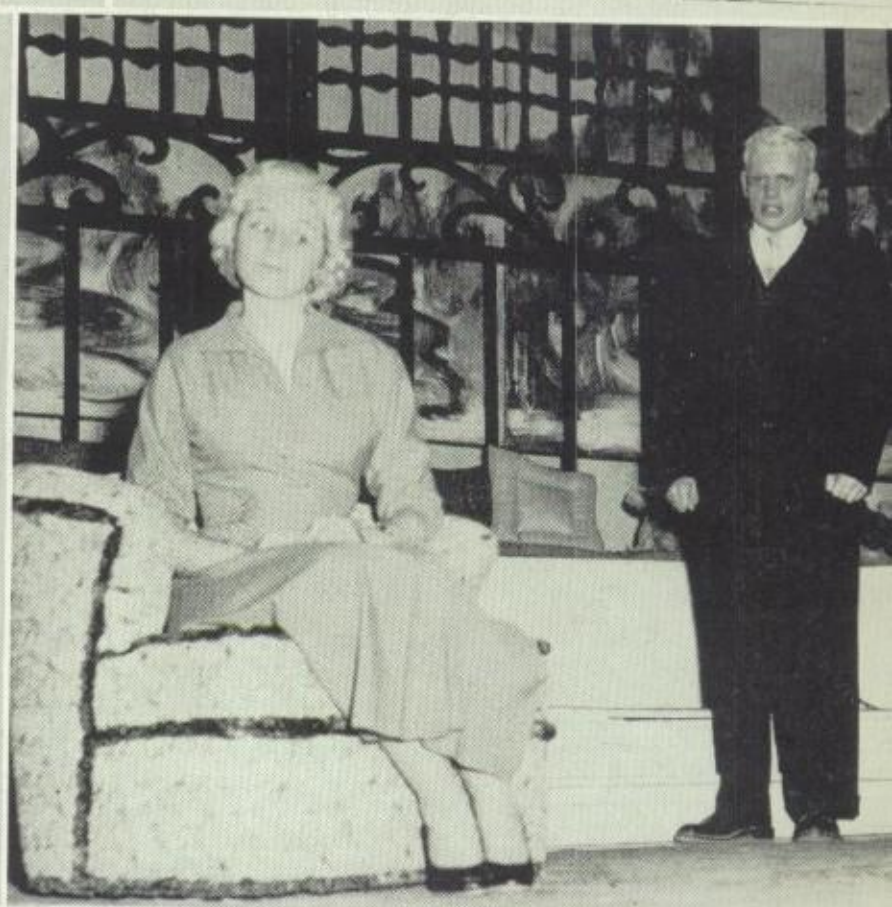
After many fruitless searches by her stepchildren, Mrs. Savage decided that the money was doing no one any good while hidden in her teddy bear. She called the family together in the living room of the Cloisters and displayed the money which was in government bonds.

At that moment, Mrs. Paddy, an inmate, who hated electricity, entered the room and turned off the lights. When they were turned on, the bonds were missing. Everyone was searched and questioned, but to no avail. Further investigation uncovered a portion of a burned bond in Mrs. Paddy's bath tub.

Assuming the bonds were destroyed, the children left.

Later, Dr. Emmett discharged Mrs. Savage; and, as she was about to depart, Miss Willie, the nurse presented Mrs. Savage with the bonds which she had taken to save for Mrs. Savage.

The CURIOUS SAVAGE ended on a note of happiness.



Music Department Rings Out Harmonious Melodies

The music department is composed of the orchestra, band, a cappella choir, girls' octette, girls' glee club, girls' choir, boys' chorus, and the eighth grade mixed chorus. Mr. Markley and Miss Demand direct the various music groups with the aid of Mrs. Backstrom, the accompanist.

The Southeast band displays their outstanding ability in parades, assemblies, and in the many appearances they make throughout the year.

The orchestra furnishes the music for Knightlites, Eighth Grade Induction, and the Spring Play. They have taken part in the various assemblies, providing entertainment for the student body.

The a cappella choir, under the direction of Mr. Markley, has appeared in Christmas programs, assemblies, the Music Festival, commencement exercises, and the All-City Choir Festival. The choir is made up of juniors and seniors with outstanding ability in music.

The girls' octette provides entertainment for many events during the year. They are the busiest musical group at school.

The girls' glee, the girls' choir, and the boys' chorus, directed by Miss Demand, become accustomed to making group appearances before the entire student body. They appear in musical programs gaining for themselves experience for future performances.

Knightlites Orchestra

Knights Display Sportsmanship

Every year at Southeast, our athletic program rates high in the popular activities of the Castle. We strive for development in character, sportsmanship, co-operation, and loyalty. as well as providing enjoyment for the students.

Our football season this year succeeded far beyond the expectations of everyone. The Knights were not always victorious, but they played ball with good sportsmanship and enthusiasm.

Our basketball team showed promise of a championship team but closed with a record of 10 wins and 9 losses. They tied for sixth place in the Interscholastic League play.

At the beginning of our track season, we placed third in the Missouri High School events of the Big Seven Indoor track meets.

These are our three major sports of the Castle; but, besides these, we have very excellent tennis and golf teams. Mr. Maupin is our tennis coach and the golf team is under the direction of Mr. Becklean.

Our Southeast Ladies also have a fine athletic program. Under the competent supervision of Miss Canham, Mrs. Hensley, and Mrs. Davis, the girls competed in Basketball and Hockey Sportsday. Although the girls lost both basketball games and won only one game and tied the other in hockey, they were always victorious in good sportsmanship and in showing respect to one another and to their opponents.

Third Row: Mike Phillips, Jerry Leslie, Bob Jamieson, Jim Shankland, Bob Reeder, Tom Creel, Terry Shover, Joe Ventimiglia.

SOUTHEAST 18, NO. KANSAS CITY 13

The Knights' spectacular-pass attack defeated the North Kansas City Hornets in the first game of the season. With five minutes left in the game, Harvey Greer snagged a pass from Mike Cartwright and sped to the winning touchdown. The unconquerable spirt which is Southeast's heritage stopped the Hornets on the Knights 7-yard line with 48 seconds remaining in the game.

SOUTHEAST 18, CENTRAL 6

Central startled everyone by scoring in the first quarter on an 80-yard drive. Southeast tied the score with a short pass from Carney to Greer. Then Southeast forged on with Don Carney's spectacular 40-yard run for the Knights' second touchdown. This broke the 6-6 tie and the Knights went ahead to edge the Central Eagles in the opening game at the new Interscholastic stadium which was formerly our field.

SOUTHEAST 0, SOUTHWEST 19

Our undefeated team next met our old rival, Southwest. After a close first half, Southwest broke loose for two 40-quarter touchdowns and the Indians whipped the Knights by a score of 19-0.

SOUTHEAST 13, RAYTOWN 7

Although the Raytown Blue Jays were favored with an undefeated record, the Knights paid no heed. The line play was the greatest factor in this victory. Especially tormenting to the Jays was the "Watch-charm" guard, Ronnie Kelley. He spread confusion through the opponent's line and often crashed into their backfield.

SOUTHEAST 6, NORTHEAST 13

Northeast scored on a 49-yard run late in the fourth quarter to break a 6-6 tie and upset Southeast 13-6. The run high-lighted a second-half comeback by the Vikings who trailed 0 to 6 at the half. Pelletier's first boot for the extra point was good, but the Knights were off-side. The second try was not good and we were yet to make a point after a touchdown.

Nice Tackle

Jim Bernard

Frank Igert

Managers

Second Team Cheerleaders

SOUTHEAST 6, EAST 32

An East victory and a light sprinkle marked the end of the Knight-Bear contest at the East Interscholastic Stadium. The Bears coupled weight and experience with an outstanding aerial attack to overpower and outclass Southeast through the entire game. Karl Keen played a fine game advancing the ball many times.

SOUTHEAST 25, PASEO 7

Southeast's Galloping Ghost, Don Carney, ran wild, scoring two fourth-quarter touchdowns against the Paseo Pirates. This victory brought to a close our Interscholastic record of 3 wins and 3 losses for fifth place. After a touchdown by Stanley, our first successful conversion of the season was made by Bili Sparks.

SOUTHEAST 18, WESTPORT 7

Southeast capped the Westport Tigers after a terrific struggle for an 18-7 victory on Southeast's field. Our first touchdown was set up by Dan Stanley's spectacular 56-yard run. The second quarter was a defensive battle. Then in the third quarter, the light shifted to the offense as our last two touchdowns were made.

SOUTHEAST 6, ROCKHURST 41

Despite the efforts of all the Knights, the Rockhurst Hawklets close the gridiron season by overpowering Southeast. The Knights were able to hold the mighty Rockhurst eleven during the first quarter; but as the game progressed under the lights of Bourke Field, Rockhurst's supremacy became evident. Our only touchdown was made by Stanley on a keeper play in the fourth quarter.

B Squad

The Southeast Second Team opened its 1954 Football Season by defeating the North Kansas City Hornets, 12-6. They continued their victories on the home field by defeating the teams of Central and Westport.

One of the hardest fought games was against Southwest. During the game neither team's defenses could be broken through for any great amount of yardage. The game ended in a tie, 6-6.

The best game was against Shawnee Mission, with Southeast the victor by the score of 6-2. Defense was outstanding in this game. Twice the Indians were inside our five-yard line, but the defense held. Our defensive team consisted of: *Ends*, Durns and Wood; *Tackles*, Dawson and Schwartz; *Guards*, Wilson and Phillips; *Line Backers*, Kruger and Unruh; *Halfbacks*, Nolen and Thompson; *Safety*, Leslie.

The offense in that game cannot be forgotten, for Fleet Wingback Jim Crumm made the only touchdown. He was very outstanding during the whole season.

We lost two hard-fought games—one to East, and the other to Northeast. The losses were due to good aerial attack by both of these teams.

On the whole, the squad improved in experience and know-how as each game rolled by. The outstanding characteristics of the team was their ability to play together and their high spirit throughout the 1954 Football Season.

Third Row: Al Lampson, Robert James, Joe Flora, Jay Allen, Ralph Shields, Phillip Rollins, Mr. Hearn, David McLaughlin, Walter Tague, Karl Nickols, Bob Gay, Kenny Edwards, Jerry Gentry, Windel White.

C Squad

The Knight-Freshman team had a good season by winning five games and losing only three. Two of the losses were the first two games of the season. The team came along strongly thereafter, winning five games and losing one. All the Freshmen in the League teams were beaten.

The offensive spark for the team was supplied by Jim Crumm, Tom Cartwright, and Ed Taylor. The blocking was led by Al Lampson, Roger Picketts, Ralph Shields, and Mike Riley. Most of the end play was by Jay Allen, John Lauber, and Mike Hennessy. Bruce Jones did a capable job at center. The defense was spearheaded by the two big tackles, Karl Nichols and Ralph Shields, with Jim Blackshire, Fred Underwood, Kenneth Edwards, and Windel White coming in for their share of the work. David McLaughlin, Bud Redmon, and Roger Kelly were good reserves.

Doc Moore

Mike Phillips, David Hoff, Joe Haines, Harvey Greer, Bob Butler, Bob Davis, Mike Cartwright, Skip Snyder, Jerry Leslie, Dan Stanley, Allen Laffoon, Don Hymer.

Knights Make Good Showing

The Southeast basketball team played fairly good ball this year. We won ten games, lost nine, and tied for sixth place in the Interscholastic League.

Don Hymer, Bob Davis, Dan Stanley, and Mike Phillips were returning lettermen from the championship team of 1954. These four with Allen Laffoon and Jerry Leslie started most of the games and at times played excellent ball, but inexperience and lack of shooting ability resulted in defeats by small margins on several occasions. Other members of the team are Bob Butler, Mike Cartwright, Harvey Greer, Joe Haines, and Skip Snyder.

Bob Davis and Don Hymer served as co-captains. Don Hymer, a 6 foot 4 inch forward, and Allen Laffoon led the scoring and rebounding departments with Bob Davis and Dan Stanley carrying the defensive work.

The very capable John Rucker has served as manager for the second year. Don Spicer was his assistant.

B Team

Our second team Knights finished their season with a record of 6 wins and 10 defeats. The high scorers for the team were Keith Coates and Ronnie Durns. Both of these boys are sophomores and along with the rest of the team show promise of bringing many honors to Southeast in the years to come.

In non-league play, Lee's Summit, Hogan, Warrensburg College High, and Ward failed to overpower our hard-hitting Knights. Westport and Manual, in league play, met the same fate.

Our boys did a good job and we are proud of their record.

Teams are organized in each gymnasium class; and these teams compete with every team in the same class of touch football, soccer, ping pong—singles and doubles, light and heavy weight basketball, volley ball, and soft ball.

All-star teams are organized in each gymnasium hour. The all-star teams compete against each other. Teams winning class championships are awarded a shield and given two points; also, teams winning school championships are awarded K's and given five points.

At the end of the year, the boy accumulating the most points is awarded a large chenille shield; and the runner-up is given a smaller chenille shield.

We have the two letter systems in the boys' Physical Education Department—one for the eighth grade and one for the upper classmen with the same system of awards for both groups.

Memorial Club

The Southeast R.O.T.C. Memorial Club was established to provide an extra-curricular activity for the cadets enrolled in the regular R.O.T.C. course. Among the services rendered by the club is the providing of firing squads and honor guards. The popular Southeast Drill Team is another function of this organization.

Dreams In Reality

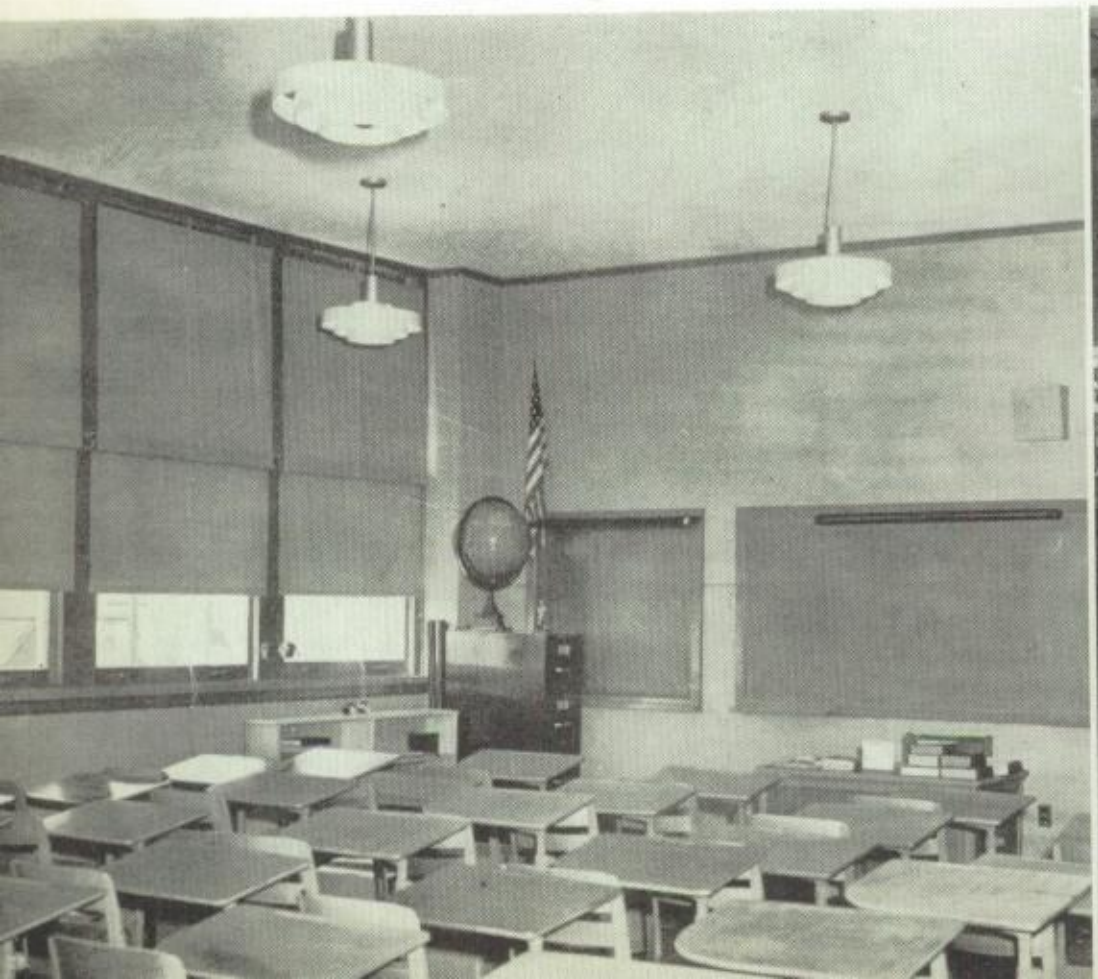
For many years, Southeast has had one dream —one desire above all—to expand. We have long needed an addition to our building to accommodate our rapidly growing enrollment. Construction of the addition began October 29, 1953.

Our dream became a reality with the completion of our thirteen new classrooms, equipped with modern educational aids; the new gymnasium, one hundred feet one inch by eighty-three feet one inch, has a seating capacity of 1,225; the new swimming pool, twenty-one feet by sixty feet, has a descending depth ranging from three and one-half feet at the shallow end to nine feet at the deep end; and the new balcony in our auditorium has a seating capacity of three hundred eighty-two.

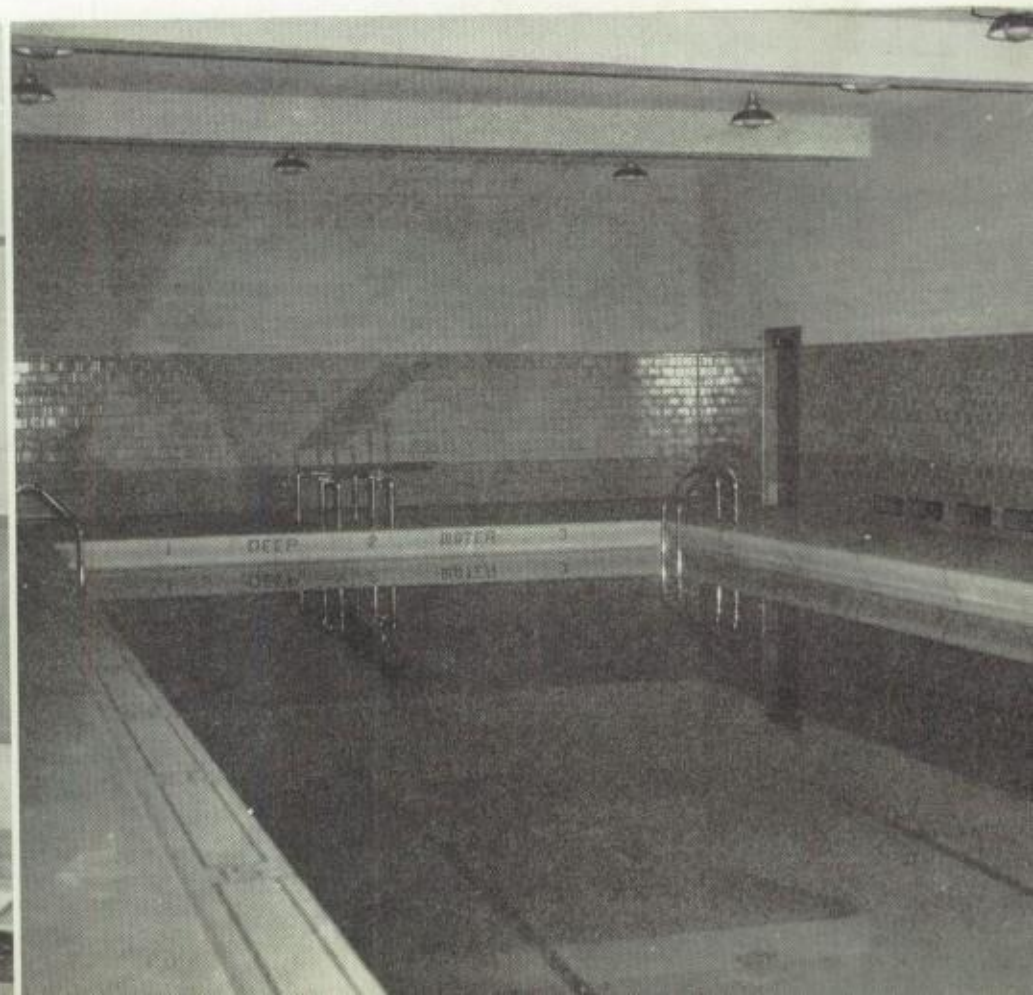
These improvements have made more efficient work possible both in the classrooms and the physical education department because of the added space.

The spirit of progress, exemplified in the new addition, has taken root deep in the hearts of every student and parent. Such will always be the story of Southeast.

New Room



New Swimming Pool



Farewell

The time has come for us, the Crusader Staff of 1955, to bid our last farewell to our beloved Castle.

We eagerly anticipate the new life that is just beginning for us because we are confident of the firm foundation we have laid during our years at Southeast. This confidence combined with our desire to succeed will enable us to accomplish our various goals.

We are eager indeed, and yet the knowledge that we shall soon walk through the front doors for the last time, makes us hesitant to leave that which we have known and loved for five years.

We have done our best to bring you the annual you expected and we hope that with the help of our Crusader you will never forget the important events of this school year. The contents were compiled with you, the student body, in mind. We have recorded the most outstanding activities which we thought would bring you the greatest enjoyment. It is our fondest wish that the Crusader of 1955 will bring many pleasant memories in the years to come.

Sincerely yours

THE 1955 CRUSADER STAFF
